

# UK GEOGRAPHY MAP CAMP

## Do you have a young map lover?

Inspire them with a week of engaging map making and outdoor geo-challenges. Attendees will participate in the ancient craft of cartography, build digital interactive maps to share with the world, and conduct campus treasure hunts with GPS-enabled mobile devices. Camp is held in the UK Geography's state-of-the-art GIS Computer & Cartography Lab.

### **DATES**

June 22–25 or July 6–10

### **AGES**

9–15

### **COST**
